### Question Of The Week

**"Why do I have an attendance hold?"**

**Answer:** An attendance hold is placed on your account because your professor did not verify your attendance in their class. Please discuss your attendance with each of your professors so they can update your attendance with the Office of the Registrar. Once your attendance has been verified, your funds will be released. Please review the [How To: View FSW Account Details & Pay Online](#) to view your account details.
